Foreword

Our School,
The bedrock of knowledge-----
Where for a few short years,
We live, and love, and learn.
The hall echoes with memories of the day,
When unknowing, uncaring,
We gaily played at life.
This brief period through which
We so blithely, charge,
Has import to each individual.
Measured by what was received
Only because a like amount-----
 was given.
Given of self, time and talents,
To future classes who will
Also bang lockers in frustration
As we have done.

L. Edwards

Dedication

In recognition of his continued service to Great Bend High School, his fellow teachers and above all his students, the Rhorea staff of 1964 proudly dedicates the yearbook to J. C. Smith.

Mr. Smith, teacher of Constitution and International Relations, devotes many hours to his profession. Throughout his teaching career, Mr. Smith has dedicated himself to inspiring his students to lead good and successful lives as members of both the community and the nation.

Outside the classroom, he continues to serve by sponsoring many school projects, where his wit and friendliness make him welcome and successful. This dedication is only a small way to express our thanks to J. C. Smith, Rhorea teacher of the year.

Fall Activities Were Fun Filled & Exciting

At Great Bend High School, fall activities were hectic, fun filled and exciting. Getting back into the swing of school was highlighted by spirited football games and the thrill of homecoming. Humorous skits as well as pep assemblies bolstered the enthusiasm of the student body.

An anonymous phone call warning of a bomb hidden within GBHS, caused students to be evacuated until the "bomb scare" was eliminated.

Drive & Enthusiam

Key to Winter Season

"Omigosh, Larry, you fell," laughs Jackie Tate to Larry Smith as Karen Kraus, Paul Folds, and Jerry Walker extend their sympathy?

Drive and enthusiasm were the key words during the long winter season. After the colorful days of fall and football cheering, it was time to settle down and "hit the books". Soon basketball games were underway and formal dances were initiated to brighten the long winter season.

Pace Increases as Graduation Nears

As spring blossomed, the Juniors were busy fulfilling plans for the Junior-Senior Prom, the event anxiously awaited by upperclassmen. The Seniors, recalling fond memories, were amazed at the swiftness in which three years had passed. Final exams completed, students awaited the climax of the school year of 1963-64 — Graduation.

Prom 1963 will be remembered by all as a wonderful evening.

H. A. Starkey, a master teacher and a fine man, was a teacher from the old school; he wanted his students to learn, to be good citizens, to respect authority, and to display courtesy and decency.

On the other hand, Mr. Starkey had a dry wit and humor that could improve almost any difficult situation, and to set a new light on a problem and bring about a possible solution. This is a gift possessed by few but needed by many.

The passing of H. A. Starkey is a loss to education, to Great Bend High School, and to this community.

Board of Education Plans Expansion

Because of increased student enrollment from 531 to the present 940, The Board of Education, under the leadership of Dr. M. O. Steffen, recommended expansion of the present building to provide space for 1,100 students.

The proposed new addition, to be located at the southwest corner of the high school grounds, will include a library, science department, art

department, special education room, multipurpose room with a seating capacity of 210, enlargement of the business department and cafeteria.

Four lots south of the high school have been purchased to provide parking space for teachers and students. This expansion of the educational facilities has been the major concern of the Board of Education this school year.

Dr. M. O. Steffen, President of the Board of Education and B. G. Fryberger, Vice-President of the Board of Education discuss the plans for the expansion of the High School.

Administration Coordinates and Plans Changes

D. V. Swartz - *Superintendent of Schools* (A.B.) Southwestern College
(M.S.) Fort Hays State College

As chief planner and coordinator, Superintendent D. V. Swartz has witnessed many changes in the Great Bend School System. During his years as Superintendent, the school population has grown rapidly and new and much needed improvements have been made to accommodate the growth. Mr. Swartz has more than just witnessed this expansion; he has been the key figure in molding these vital changes into an educational system of which Great Bend can be extremely proud.

Mr. Swartz is responsible for a continuous study of the development and needs of the schools, the recommendation for appointment of all personnel, and for the conduct of the instructional program.

Leon Holman, serving as Assistant Superintendent, is responsible for the business management of the school system. He is responsible for the construction, operation and maintenance of the school buildings, and for the purchase and distribution of school supplies and equipment. Another important duty of Mr. Holman is the effective control over the expenditure of school funds.

Mrs. Scott and Mrs. Michaelis, assistants to Mr. Swartz and Mr. Holman, ably perform all clerical duties in the Superintendent's office.

Leon Holman - *Assistant Superintendent of Schools* (B.S.) (M.S.) Emporia State Teachers College

Mrs. Vera Michaelis - *Secretary*

Mrs. Mary Scott - *Secretary*

R. E. Gunn - *Principal* - (A.B.) College of Emporia (M.S.) Kansas State University.

Cecil Dryer - *Vice Principal* - (B.S.) Emporia State Teachers College (M.S.) Fort Hays State College.

Maintain Continuity and Stability

R. E. Gunn, Principal of Great Bend High School, has capably assumed his ever increasing responsibility to students and teachers. He has succeeded in introducing needed changes while still maintaining continuity and stability. This alone has not been an easy task, but he has also successfully set policies, made committee appointments, approved organizational structures, and done endless other things that are the Principal's responsibility.

Serving as Assistant Principal, Cecil Dryer plays a vital role in the operation of Great Bend High

School. Financial records, ticket sales and student attendance are his special province, but he also assists with discipline problems and many student activities. He performs all his functions pleasantly and well.

Counseling & Guidance *Increasingly Important*

The importance of counseling and guidance as part of the education of our American youth has become increasingly recognized in recent years. At Great Bend High School the personnel engaged in counseling and guidance realize fully the importance of their assignment and ably meet the students' need for assistance in planning their vocational and educational program according to their own aptitudes and the needs of society. Their assistance in arranging schedules, planning study programs, and solving personal problems is often sought and freely given.

Secretary

Kent Otte and Barbara Holman browse through books and magazines on the display table.

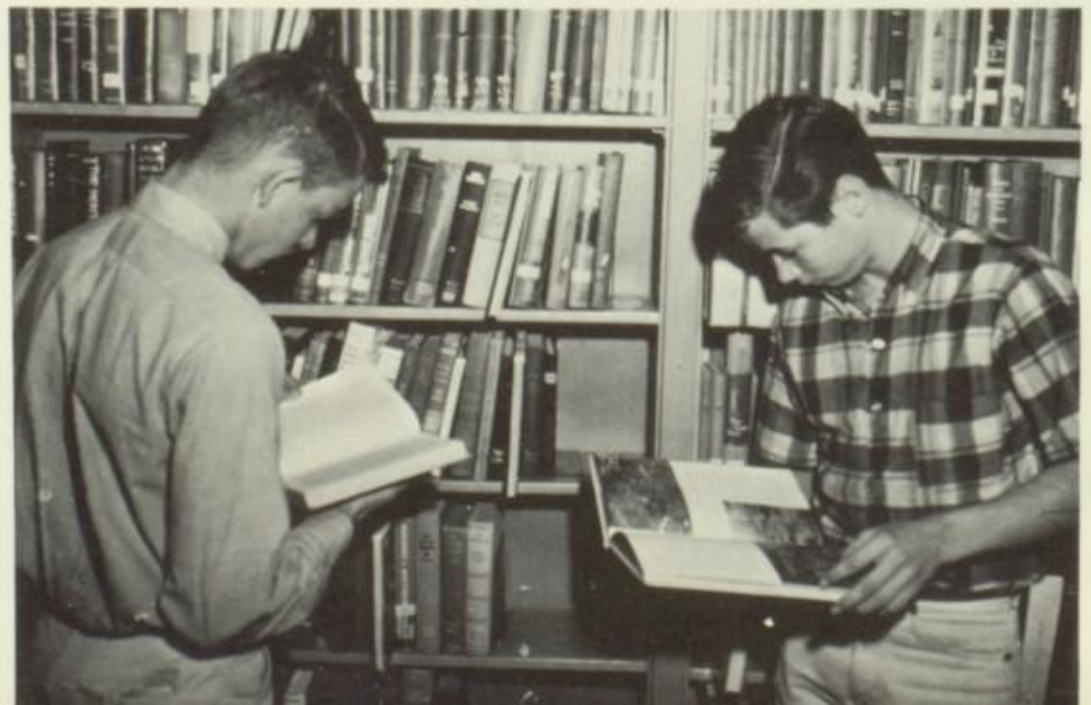

The Library, which now contains seven thousand volumes, is becoming of increasing importance to the students of Great Bend High School. The students are fortunate to have such a wealth of reference materials for study and books for both personal pleasure and required assignments. The library places a wealth of information at the fingertips of students properly trained to use it.

The addition of student helpers to assist the regular librarians has made the library even more useful to all while training the helpers in proper methods using reference material and teaching them to work with others.

Library assistants for 1963-1964 were Diane Coldwater, Nancy Vonfeldt, Sue Coldwater, Sue Rich, Cheryl Tener, Janet Sens, Fred McNett. SECOND ROW: Jerry Yahne, Leo Kimber, Joe French, David Yahne and Hal Erhart.

Larry Fry and Kenny Warner select books of their special interest from GBHS library.

Special Education Functional

Special Education, essentially functional in nature, has as its goal the attainment of economic competence in special fields if endeavor. Primarily individual in nature, it is dedicated to the development of individual aptitudes.

Special Education differs from most other high school courses in that the course of study is not designed for preparation for some institution of advanced study; but is an end in itself. The course is devoted to the study of jobs, job requirements, and job opportunities "here and now" applying such knowledge as the student may have in such academic courses as English and Mathematics.

The Physical Education Department provides activities which stress proper attitudes toward exercise and healthful living. Promotion of health and physical well-being of students through a varied program of activities which include sports, teaches co-operation with others and gives an opportunity to develop personal skill.

Stress Functional Use of Language

In our shrinking world, the language of the peoples of other countries has become of increasing importance to the modern youth. The language department of Great Bend High School, offering courses in Spanish, French, and Latin, is effectively meeting this expanding challenge.

Emphasis in all courses offered is upon functional use of the language being studied and modern devices such as tape recorders are widely used and laboratories are provided for individual improvement and make up work.

In an age when distance and time have been overcome by modern transportation and communication, the people of other nations and other languages are but a step away.

Arts Teach Fine Living

The Fine Arts Department includes two divisions: music and art. In addition to the classroom studies of the arts, many varied extra-curricular activities are enjoyed.

The music department presents vocal and instrumental programs throughout the year such as the Thanksgiving, Christmas, and Spring concerts, as well as private performances.

The art department teaches the student the background, history, and mechanics of each field of art as well as appreciation for the product itself.

On the whole the Fine Arts Department is dedicated to the teaching of students the fine art of living — not just the art of making a living.

Students learn to type efficiently under the guidance of Mrs. Schmitt.

Great Bend High School is meeting the challenge of the modern business world by giving students an opportunity to acquire some knowledge of business methods and tools. The instructors in the business department offer courses in typing, shorthand, bookkeeping, note hand, clerical practice, business law, and other business related subjects.

The courses are complete enough to fully familiarize the students with good business practices and skills there-by providing an opportunity for many to enter the business world immediately upon graduation without further formal training.

A course in distributive education is especially helpful in permitting students to apply their classroom instructions to actual business situations through on-the-job training.

Personal typing, and note hand, and other courses offered by this department also are very valuable to those students who wish to continue their formal education and use these skills to do their own school work later.

Math Develops Understanding

Connie Bechard, Jane Foss, and Gary Walter experiment with prisms in Geometry class.

Through the math department, students gain the reasoning and logic necessary to the solving of relationships by the use of symbols and numbers.

The main objectives of the Geometry course are to develop an understanding of the meaning and nature of mathematical proof, to improve the quality of thinking and reasoning in non-mathematical situations, to develop supplementary mathematical concepts of arithmetic and algebraic natures, and to provide an understanding of two and three-dimensional relationships.

In Algebra, students learn the structure of algebra, the concepts of relation and function, and how to utilize concepts and languages of sets. New textbooks are being used in Algebra II which contain applications of algebra to geometry, commerce, science, and industry.

Senior Math is offered to students who intend to postpone the study of these subjects until they have acquired a greater mastery of arithmetic and of the elementary concepts of Algebra and Geometry as commonly encountered in everyday affairs.

Science Adjusts to Changing World

Patient instructors and well equipped science classes enable Great Bend High School students to become familiar with the world around them. Since science is always on the move and changes occur frequently in this field, adjusting to changing concepts is a major task of the science department.

Today, more than ever before, a knowledge of scientific advances is a "must" for civilized society. The science instructors at Great Bend High School realize their responsibility and stimulate their students by new methods of instruction and give them new horizons to explore.

Social Sciences Promote Understanding

History, psychology, constitution and related subjects grouped under the heading of social science, are a very important part of the curriculum offered at Great Bend High School.

Living successfully and well in our society requires not only an understanding and appreciation of our American heritage but a realization of our duties as good citizens to maintain and improve our method of living in the same world.

The instructors in social science give the students an understanding of the sources of their present strength and help them to formulate and adopt rules of living to enable them to be good citizens and good neighbors.

English Is Cornerstone of All Learning

The English department, considered the true cornerstone of any good school system, is exceptionally strong in Great Bend High School. Since English is required, all students are trained in the basic principles of grammar and written and oral composition. Individual self-expression is encouraged by such activities as speech, debate and dramatics. Studies in literature lead to a better understanding of the world and the people in it. *Panther Tales* and the *Rhorea* are published in the English department by students and for students.

Homemaking Skills for Future Roles

Learning the skills of a successful homemaker, such as cooking and sewing, is the goal of the girls in the Home Economics Department. This course prepares the girls for their future roles of housekeeper, wife and mother, not only through the teaching of cooking and sewing skills but by developing an understanding of the many other factors that are necessary for successful family living.

Industrial Arts & Practical Electricity

The Industrial Arts Department is designed to help students gain experience and the basic knowledge for future jobs or hobbies. Courses offered provide skill in such time proven courses as carpentry, metal work, and vocational agriculture as well as a new course in practical electricity.

This course as taught by Mr. Marsh and Mr. Keenan, includes a study of practical electricity the first semester and the make-up and use of the vacuum tube the second semester. Offering this one course required the purchase of \$8,000 worth of new equipment including equipment that shows the basic operation of the electronic computer.

Class of '64

Three years of learning, living, and having fun were highlighted by many unforgettable memories for the class of '64. Entering Great Bend High School with an enrollment of 303, the Sophomores presented the dramatic one act play "A Likely Story" and operated concession stands.

Working together as Juniors, they successfully presented the comedy 3-act play, "The Marriage Machine" and succeeded in surpassing all previous records in magazine sales. A highlight of the year was the selection of class rings.

The Junior-Senior Prom, class picnic, and commencement not only climaxed the senior year but also the last year at Great Bend High School for 260 Seniors. Wearing caps and gowns of red and black, graduation found them facing new and exciting adventures, but the memories will linger on.

Juniors Strive for Success

For the Junior Class, this was a year of hard work. Working together they experienced the thrill of a stage production, the presentation of the Junior 3 Act. Selling magazines demonstrated the sales ability of the class, and in the selection of the class rings, their most important decision, originality and taste prevailed.

The Junior-Senior Prom proved the most memorable event of the year! The boys and their dates, elegantly attired, combined with the dreamy atmosphere of the theme and decorations, made the evening unforgettable. In fact, the Junior Class worked eagerly with head sponsor Allen Burns to complete the delegated projects, all with success.

As the year comes to a close, the Juniors prepare to assume the roles of Seniors and keenly anticipate their last and most exciting year at Great Bend High School.

Meet Daily Challenge

In the fall of 1963, facing a new challenge and new classmates, 316 Sophomores entered the halls of Great Bend High School. Meeting this challenge and working well as a class, they diligently conducted a concession stand and presented a one-act play. The Sophomore cheerleaders — selected by the Pep Club — Debbie Vaughn, Judy Gregg, Peggy Schumacher and ArNell Essmiller, alternate — cheered with enthusiasm and spirit. As head sponsor, Mr. Parker ably assisted the class in becoming an important part of Great Bend High School so that throughout their remaining years of school, the class of "66" may look forward to many exciting and rewarding activities.

Spring Recognition for Scholastic Honor

To qualify for the upper ten percent requires intense concentration and studying on the part of the selected Seniors. Members are chosen according to final grades of each year with the final selection being made after the completion of seven semesters.

During the annual recognition assembly in May, the members of the Scholastic Honor Group are congratulated for the attainment of the high goals which they set for themselves.

Tom Myers, Joanne Polcyn, and Phyllis Schubert reflect happiness and surprise as their names are found on the list of Scholastic Honor Group.

Cherie Buss, Barbara Holman, and Jan Huslig utilize every spare moment for study.

Mary Mumm and Frances Shrader, two top students, exercise careful thought in choosing their future careers.

CHOIR OFFICERS: Lydia Walter, social chairman; Ron Harders, vice-president; Dale Marsh, robe chairman; Martha Schumacher, secretary; Don Essmiller, president and Kenneth Shaheen, director.

Under the competent direction of Kenneth Shaheen, the vocal music department completed a successful and gratifying year at GBHS. A total of 167 students participated in the A Cappella Choir, Girls' Glee Club, and Boys' Glee Club.

A Cappella Choir officers, elected at the beginning of the school term, worked closely with the director to make the year a good one for the 73 members. One phase of the program provided ensembles to encourage individual participation.

Highlights of the year included the Fall concert, "An Evening of Song", and the Thanksgiving assembly. After the Christmas program, entitled "This is Noel," refreshments and dancing were enjoyed by the choir members.

This year the A Cappella Choir was especially honored by being chosen to sing at the State Music Educators Convention at Hays, Kansas, in February.

Panther Tales Staff Large

This has been an outstanding year for the school newspaper, the *Panther Tales*. The paper was expanded to two divisions running twelve to fourteen pages in length while special editions were eighteen pages. Seventeen issues were published during the year.

The staff worked diligently to present the student body with coverage of school activities and social events and to improve the quality as well as the size of the publication. Six members of the staff including editor-in-chief, George Carter, co-editors, Gretchen Hilgendorf and Don Essmiller, sports writer, John Lytle, and feature writer, Coleen Peschka, attended a newspaper clinic at Hays.

This year Katie McCarthy and Tom Cole wrote the column on tuberculosis. Last year Jan Newcombe wrote the article and received a state and national certificate for her efforts.

Under the guidance of Miss Alice Unruh the *Panther Tales* thus completed another successful year.

Under the supervision of Coach Larry Parker, novice and varsity debating squads came home with proof of their success — trophies, a grand total of six in just one year.

The 1963-64 debate question resolved, "That the Federal Government should provide complete medical care for all citizens at public expense," required research and study which began for most of the squad members early in June.

Before the arguments, which were to be presented at coming tournaments could be organized and polished, a thorough groundwork of knowledge had to be laid by research and study. This required the assembling of information from all possible sources and then studying, sifting, and evaluating it.

The highlight of the year occurred on January 3 and 4 when GBHS hosted the 4 speaker Open Invitational Tournament in which 39 Kansas schools competed, El Dorado copped first place, Meade second, Valley Center third, and Liberal fourth.

Carol Burk, Linda Herrod, Mary Ann Boyle, Bob Burk, Tim Vaughan and Terry White proudly watch Mr. Parker, debate coach, examine the trophy won by the debaters.

Student Council Sets High Goals

Lexie Bryant and John Schumacher work diligently completing a poster for the Stuco Hootenanny to raise money for next years AFS student.

Since 1940 the students of Great Bend High School have elected a student council as the student governing body. Proud of its heritage and determined to fulfill its purpose, the student council during the current year ably represented all high school students.

In the fall Tom Cole, President, and other officers and members including Kent Otte, Vikki Miller, Judy Gregg, Linda Swan, Max Leek, and Jim Parrish, with sponsors Cecil Dryer and Harry Kline attended a student council conference at Lawrence.

Besides weighing and presenting worthy student ideas to school authorities, the student council during the current year organized the sale of sweatshirts and decals, provided sponsors for post game dances and scheduled ushers for football games. A major project was assisting the Panther Parents in organizing a Hootenanny to provide financial assistance for the 1964-65 foreign student.

On February 16, a thirty minute television appearance, the first for any GBHS student council, was well received by viewers in this area.

Student Council during the year proved again the merit and importance of student elected representatives in a school like GBHS.

AFS Promotes Friendship & Understanding

This year Great Bend High School was proud to welcome Mohammad gul Mohabbat, of Kabal, Afghanistan, as the second American Field Service Student.

Enrolled as a senior, Mohammad participated in American history, gym, swimming, English II, chemistry, Algebra II, and typing.

Last summer GBHS had the privilege of sending Rosemary Grubb to Middlefart, Denmark, as an AFS student. To qualify for this honor, Rosemary had to have at least two years of a foreign language and maintain an excellent academic record.

GBHS students are proud of Mohammad and Rosemary for the fine way they have represented their own countries. The students and faculty of Great Bend High School sincerely hope Mohammad has enjoyed his stay in Great Bend, and wish him good luck and a pleasant journey to his homeland.

Kayettes Win Banner Award

Kayette Cabinet

Kayettes of GBHS, sponsored by Miss Lundstedt, Miss Palmer and Mrs. Kuhlman, completed a record year, with the attainment of their 2,000 point award. This award was presented to the chapter at the regional conference in St. John on October 22. Delegates attending this conference were Lexie Bryant, Fawne Winter, Patty Ross, Winnie Anderson, Connie Folkerts, and Margaret Baker. Lexie Bryant, junior, was honored by being elected Regional President of Kayettes at the conference.

In the service of the world and community, the Kayettes contributed to "CARE" and "Meals for Millions." They also undertook the support of an Indian child for the whole year, and at Thanksgiving a basket was given to needy families.

Socially, the Kayettes welcomed the sophomores with a coke party, sponsored the Sadie Hawkins dance and the Jingle Bell Ball. The theme of the Jingle Bell Ball was "Winter Wonderland" with a color scheme of blue and white. The center of the decorations was a large snowman with cutouts of sleighs and reindeers festooning the walls.

The decorating of the school Christmas tree and the selling of Christmas greens and wreaths ushered in the holiday season for the Kayettes.

During the year, the Kayettes enjoyed having Miss Wanda May Vinson, state director, as guest speaker.

The year, and a good year it was, closed with the "Pops are Tops" banquet, Senior farewell, and installation of new officers.

of Hi-Y Organizations

Hi-Y, a state affiliated group of high school boys with 105 members in the Great Bend High School chapter, works to create, maintain, and extend throughout the school and community the high standards of Christian living. The local chapter is sponsored by Roger Marsh, Donald Brichacek, and Larry Bradfield, who worked closely with the officers and members during the school year.

Hi-Y meets every two weeks during the school year. At these meetings, speakers from various churches in the area, athletes, and coaches lecture on subjects relating to good sportsmanship and the Christian life.

Hi-Y, this year gave a Thanksgiving basket to two needy families. The organization also sponsored an informal dance in the gym, and the annual Hi-Y picnic in the city park.

Rick Krause and David Terry commence to clean up after the Hi-Y dance.

Future Teachers Gain Practical Experience

FTA, an organization to promote an active interest in the teaching profession, scheduled a variety of programs and activities during the year. Elementary supervisor, Mike Biggs, appeared before the group to discuss the qualifications of a teacher and Mrs. Marguerite Lynch presented the field of special education. Seniors in the group gained practical experience by doing substitute teaching at the elementary level. Modern techniques were studied, classroom visitation arranged,

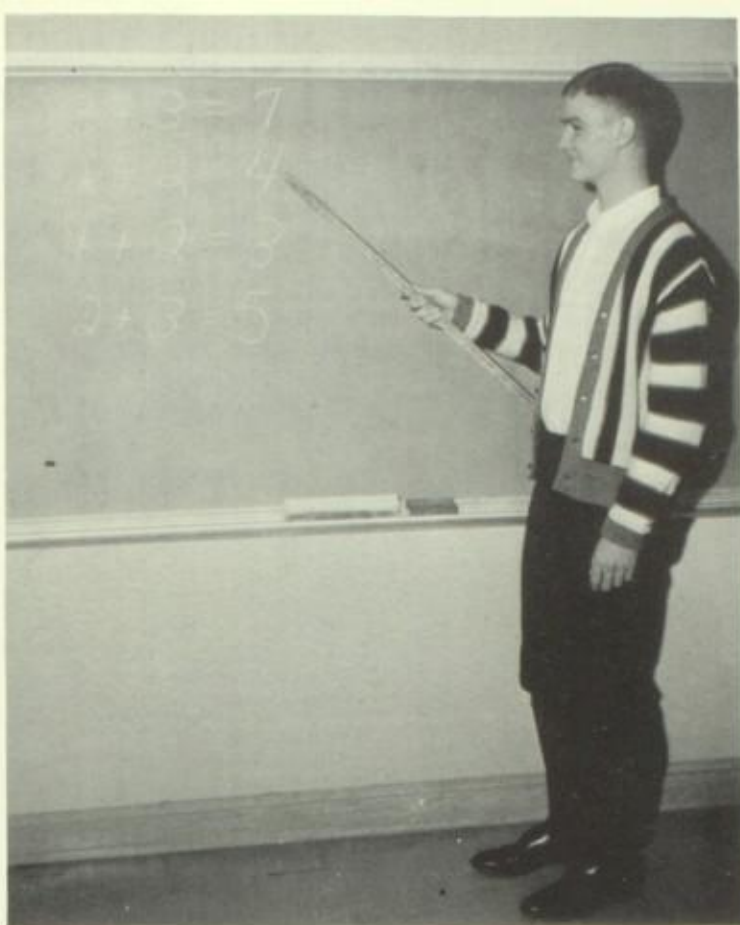

and delegates chosen to attend the State Convention at Manhattan.

Socially, the group had a Hootenanny in the fall where they joined in singing folk songs, visiting, and "snacking" together. In the spring senior members were honored by a dinner.

JCL Encourages Roman Study

The Junior Classical League is a national organization composed of local Latin clubs in junior and senior high schools. Mrs. Catherine Caraway is the local sponsor.

The eighty-one members worked on the football homecoming float with the theme "Victory is the same in all Languages." The club sold book covers, car and notebook stickers, and operated two concession stands to earn money for club activities. Delegates were sent to the State JCL

Convention at Salina in the spring at which Coleen Peschka, State JCL Secretary, helped to preside.

April 6-11, designated as Latin week, closed with a banquet for all JCL members. On display during Latin week was the historian's scrapbook. The bulletin board illustrated customs of the Romans, and posters written in Latin proclaimed Latin week to all GBHS students.

Spanish Popular Club

Under the sponsorship of Mrs. Fern Atkinson, the sixty-six members of the Spanish Club of Great Bend High School experienced a very enjoyable year learning the customs and culture of the Spanish people.

In a demonstration of school spirit, the Spanish Club began its first project by donating time and energy working on the language float. They followed this activity by presenting to the club a humorous play entitled "The Beverly Hillbillies in Cuba". The "Pinata Party" and a "Fiesta" featuring various Spanish games and entertainment was enjoyed a great deal.

Attending a Spanish convention and election of officers concluded the activities of the year.

Spanish club members Linda Williams and Nancy Polson with sponsor, Mrs. Atkinson enjoyed a game of "Pin the Tail on the Donkey" at the annual Pinata party.

For the first time in the four year history of the French Club, *Le Cerle Francais*, it was announced that all meetings were to be conducted in French. The forty-nine members received this news with a little apprehension at first; but the

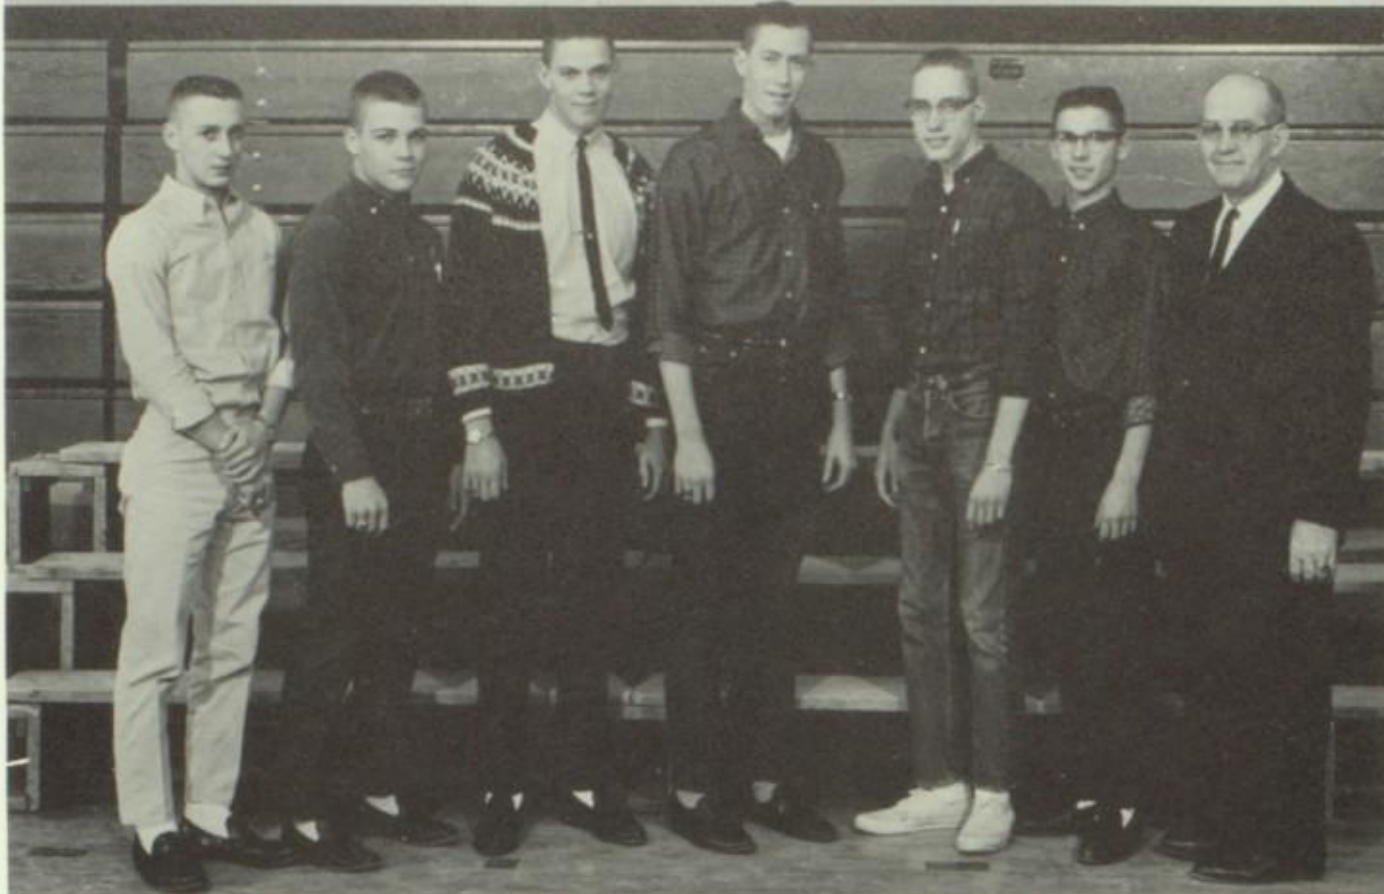

innovation worked and was kept simple enough to be enjoyed by all.

The annual Christmas party of the club proved to be its most successful social event. Members also cooperated with the other language clubs by preparing a football homecoming float. The French Club also enjoyed viewing slides, and worked in a concession stand to raise money for the club.

The GBHS chapter of Future Farmers of America, which is affiliated with the State and National organizations, strives to develop agriculture leadership, cooperation, and good citizenship among its members.

The local chapter, under the leadership of Fred Schultis, indeed had a busy year. In the fall the whole group attended the state fair at Hutchinson and the officers took part in officer training school at Buhler and the FFA radio program on December 20. February brought the Entomology and Horticulture Clinic at Peabody and April saw them taking part in the District Dairy school at McPherson, the District Livestock school at Haven, and the State FFA Convention and Livestock Judging Contest at Manhattan.

The group found time for fun with a hamburger fry in January and a chile supper in February, as well as the annual Parent and Son Banquet in April. They also sponsored the John M. Lewis Field Day in Larned on April 18.

FHA Hosts District Conference

Future Homemakers of America, a national organization of girls studying homemaking in high schools of the United States, Puerto Rico, and the Virgin Islands, is an integral part of the homemaking program at Great Bend High School. FHA provides opportunities for students to have additional experiences in planning and completing activities related to homemaking.

The FHA began the year with the District FHA Fall Conference at the high school, attended by representatives from twenty-five towns. Pat Wess, as district vice-president, presided over half of the meeting.

To earn money for the various projects, the girls sold show discount cards and operated a concession stand during football and basketball season.

FHA also sponsored the children's Christmas party and the Snowball, which was the largest project of the year. "Outer Limits" was the theme of this year's Snowball with abstract designs for decorations. In a break from tradition, the dance was casual dress instead of formal.

At the close of the year, the girls honored their mothers by giving them a "night out of the kitchen" by attending the annual mother-daughter banquet. Entertainment was provided and the installation of the new officers was completed.

Under the guidance of Mrs. Ann Scheuerman, Mrs. Sharon Peterson, and Mrs. Blanche Carter, the FHA completed another successful and rewarding year.

Distributive Education

Distributive Education, started in 1952 by Verner Williams, sponsor and instructor, is a co-operative school-work program for seniors. Students receive four credits, two for class work in the morning and two for work experience in a local firm during the afternoon.

By working outside of class, the students are able to gain valuable experience and learn different trades on which they may concentrate after graduation. Class work is a study of the many tasks and responsibilities encountered in their work.

The annual state convention, March 16-17 at Emporia, Kansas, and the employee-employer dinner concluded the year.

Safety Club Sells Safety in Modern Living

In its sixth year of activity the Great Bend High School Safety Club continued to promote safety by trying to make high school students more aware of the dangers inherent in modern living. Dale Howell, sponsor of the club all six years was assisted this year by John Munds.

Fully conscious of the problem and their responsibility, the 97 members of the club were represented at the Governor's Convention and the

High School Safety Convention.

They "sold" safety locally by awarding a safe driving trophy to the class with the fewest traffic violations, by placing safety posters in the halls, and by awarding a safety scholarship to one of the senior members. Safety information was distributed to the entire student body to keep the students fully advised of current safety practices and problems.

'Rhapsody in Color' She Sharks Feature

"She Sharks" is an organization for girls in advanced swimming. For the second consecutive year under the excellent direction of their sponsor Mrs. Janet Jimison, the girls worked to improve their swimming and diving skills.

Head Natographer Gretchen Hilgendorf was assisted by Mary Suellentrop.

"From an Artist's Paint Box" was the theme of the water ballet which the "She Sharks" presented in April. The show was colorful as thirteen different colors were used in the costumes. The finale was "Rhapsody in Color" in which each color was represented.

Good Sportsmanship

B-Club is composed of boys who have earned a letter in either junior varsity or varsity sports. The club started the school year by selling football season tickets. The highlight of '64 was the annual B-Club picnic in the city park.

The sponsors of the B-Club are Vergil McKinzie, James Nebergall, Charles Brown, and Jack Hague.

FCA, the Fellowship of Christian Athletes, is composed of 30 sportsmen from Great Bend High School. These members work to achieve a more Christ-like life for the benefit of themselves and other youths.

"Amen" is the fervent prayer of the Pep Club members over the body of a dead Indian.

With a goal of generating more school spirit and greater enthusiasm, the Pep Club, under the supervision of Mrs. Janet Jimison and Mrs. Aline Schmitt, began the school year with new ideas and new rules to assist them in reaching their goal.

An honor group, designated as "Panther Pepperettes" was selected from the girls who had qualified the previous year. This group provided leadership, encouraging all members to add to club spirit. Their striking uniforms of black skirts, white blouses, and red blazers provided color at the many school events, while the traditional red vests, white blouses, and black skirts of the 249 members added more than a "touch of color" to the high school cheering section.

The club worked hard selling mums to provide funds. Decorated goal posts, painting parties, and flashcards were provided at the Homecoming game increasing pep and school spirit. The highlight of the club school year was the crowning of the Corrigan King at the annual Corrigan dance.

Enthusiasm Spells Success

"S-U-C-C-E-S-S" This is one of many cheers led by Varsity Cheerleaders Connie Johnson, Martha Schumacher, Patty Ross, Marsha Weightman, head-cheerleader Winnie Anderson and Peppy Panther portrayed by Nancy Rodgers at sports events.

Not only did their cheering produce spirited pep assemblies, it also showed their ability to bring out the best in the student body and the team. The GBHS cheerleaders also attended out of town games, aroused school spirit, promoted good sportsmanship and the will to win.

B-Team Cheerleaders, Peggy Schumacher, Judy Gregg, head-cheerleader Debbie Vaughan and alternate ArNell Essmiller, also proved they could create enthusiasm and spirit by leading the cheers for the B-Team throughout the season.

Seventeen Seniors Complete Season

Seventeen Seniors played their last game for Great Bend in the homecoming game against Larned. The Panthers fought hard but came up with a 7-6 loss. The Senior lettermen are Bill Barr, John Brodbeck, Carl Brown, Jerry Bird, Ira Cape, Jerry Crane, Maurice Doonan, Gary Folmsbee, Keith Goodwin, Roy Graves, Larry Jones, Gary Keesling, Kent Reinhardt, Ken Roylance, Dan Scott, Gary Smith, and David Yahne.

In league competition the wins over Hays, Russell and Dodge City, gave the Panthers a 3-2-1 record for a third place slot in the league. The Panthers deadlocked with Pratt 7-7.

Coach McKinzie initiated a T-formation this year to run with his single-wing attack. This formation used speed and deception instead of the

power of the single-wing.

Roy Graves was named to the all-league first team, Dan Nichols and Larry Jones to the second team, and Bill Barr, Mike Schulz, Randy Keller, Carl Brown, and Ira Cape received honorable mention.

Panther B's Undefeated

The Panther B-team coached by Larry Bradfield, and Charles Brown had an excellent season this year. Paced by a majority of sophomores and a few juniors the B-team had a record of 4 wins, no losses, and one tie.

Great Bend came out on top of Larned, Hutch, Hays, and Pratt. The only mar on their record was a tie with Russell.

The B-team is established so that more boys are able to participate in high school athletics thereby gaining experience for the A-squad.

Black Panthers Are WCKL Champs

The Black Panthers began the season at a slow pace but then picked up momentum and went on to win the Western Central Kansas League Championship. The Panthers won the league for the first time in eight years.

Another highlight of the '64 season was the Great Bend victory in the four team tournament at Winfield.

Great Bend will lose only four Seniors — Dale

Marsh, Kent Otte, Melvin Riley and Kent Reinhardt — through graduation. Next year Coach James Nebergall will be looking for help from the three returning Juniors — Danny Hixon, James Keith, and John Schumacher. Jon Briel is the only Sophomore returning. The Panthers have high hopes and good chances for an even better season in '65.

Blasting through the hoop, Melvin Riley is eager to start the game.

Don Brining and Larry Key gave their assistance by managing the team for the '63-'64 season.

Seniors Kent Reinhardt, Kent Otte, Dale Marsh and Melvin Riley played with spirit and enthusiasm during their years at GBHS. Melvin Riley and Dale Marsh served team as the co-captains.

Panther Track Squad Take WCKL

Assistant Coaches Vergil McKinzie and Harry Kline with Head Coach Jack Hague.

The Panther track squad captured the WCKL trophy for the sixth consecutive year as they stormed past second place Garden City with a score of 73-43. The Cindermen had other first place wins in the Garden City Relays, Dodge City Relays and a tri-meet at Great Bend. The Panthers placed second in the Great Bend Relays and tallied two fifth places in the Sterling and Hutchinson Relays.

Great Bend last year placed a respectable third in the Regional track meet at Hutchinson. Panthers participating in that meet were Phil Briscoe, Carl Brown, Flanders Byford, Mick Gunn, Dennis Morrison, Leon Romme, Dan Scott, Hal Weaver, and Kevin Welsh. Gunn also placed second in the discus and Welsh fifth in the high hurdles at the state meet.

Records were broken in the "63" season as Phil Briscoe leaped 6' in the high jump, Mick Gunn hurled the discus 161' 7", and Dan Scott pole vaulted to a new high of 12' 11¼".

Hopes for the "64" season are bright as Coach Hague has an arsenal of 14 returning lettermen.

Wrestlers Advance to Regionals

Great Bend wrestlers did well in their third year of competition. New red and black uniforms and white warm ups were purchased for the '64 season.

Three GBHS wrestlers placed in the district meet which allowed them to advance to the regionals. The three were, Richard Selle, with a fourth in the 145 pound class, Ken Roylance with a fourth in the 165 pound class, and Roy Graves who placed second in the 180 pound classification.

Great Bend took sixth in the District Tournament. In other tournaments GBHS did well with a fourth at Liberal, and a fifth at Newton. The wrestlers were coached by Larry Bradfield, assisted by Vergil McKinzie.

Great Bend will lose nine Seniors via the graduation route but should come on even stronger next year with an arsenal of Juniors and Sophomores to fill Coach Bradfield's line up.

Richard Selle, Roy Graves and Ken Roylance advanced to regional competition in wrestling.

Baseball

Win 100th Game for Coach Burns

Stalwarts in the outfield for the '64-season are Gary Guesnier, Rick Krause, and Danny Hixon.

Panthers set a new baseball record for the 1963 season with 17 victories and 4 defeats. Coach Al Burns won his 100th game in his 13th season as Great Bend Coach. Burns has now tallied 111 victories with only 55 losses during his coaching career at Great Bend.

The Panthers this season won the Dodge City Tournament for the first time in 13 years. Great Bend also tucked away the Regionals and placed a respectable 4th in the state class AA competition.

Roger Blackwell set a new school record with an all time season batting average high of .410. The outlook for the "'64" season is bright with 15 returning Panther lettermen.

FIRST ROW: Gary Guesnier, Richard Barnaby, Richard Krause, Harold Yowell, Jonroy Slankard, Tom Keefer, Cole Stimson. SECOND ROW: John Tatlock, Tom Curtis, George Burns, John Schumacher, Duane Lowry, Dan Hixon, Dan Nichols, Ron Smith. THIRD ROW: Assistant Coach Jack Orr, Gordon Johnson, Gary Bender, Dan Moran, Harold Jones, Darrell Mohr, Roger Blackwell, Rick Rambin, Doug Schmidt, Coach Al Burns.

In the catching department for Coach Burns will be second year letterman Cole Stimson on right, assisted by Tom Keefer.

On a primarily Junior team returning lettermen, Gary Bender, John Tatlock, and Doug Schmidt should offer help in the infield.

Linksters Have Good Season

Coach Dale Howell's linksters did well in the '63 season with a second place in the league meet. In the Lyons Invitational the Panthers took second, in the Great Bend Invitational fourth, and in the Salina Invitational fifth. Competing in three dual meets the golfers came out on top of Pratt, Russell and Hays.

In the Regional two man tourney John and Jim Graham took second place which enabled

them to travel to the State Golf Tournament. This was the first time in the history of Great Bend High School that two golfers qualified for the state meet. John and Jim Graham then took a seventh place in the state.

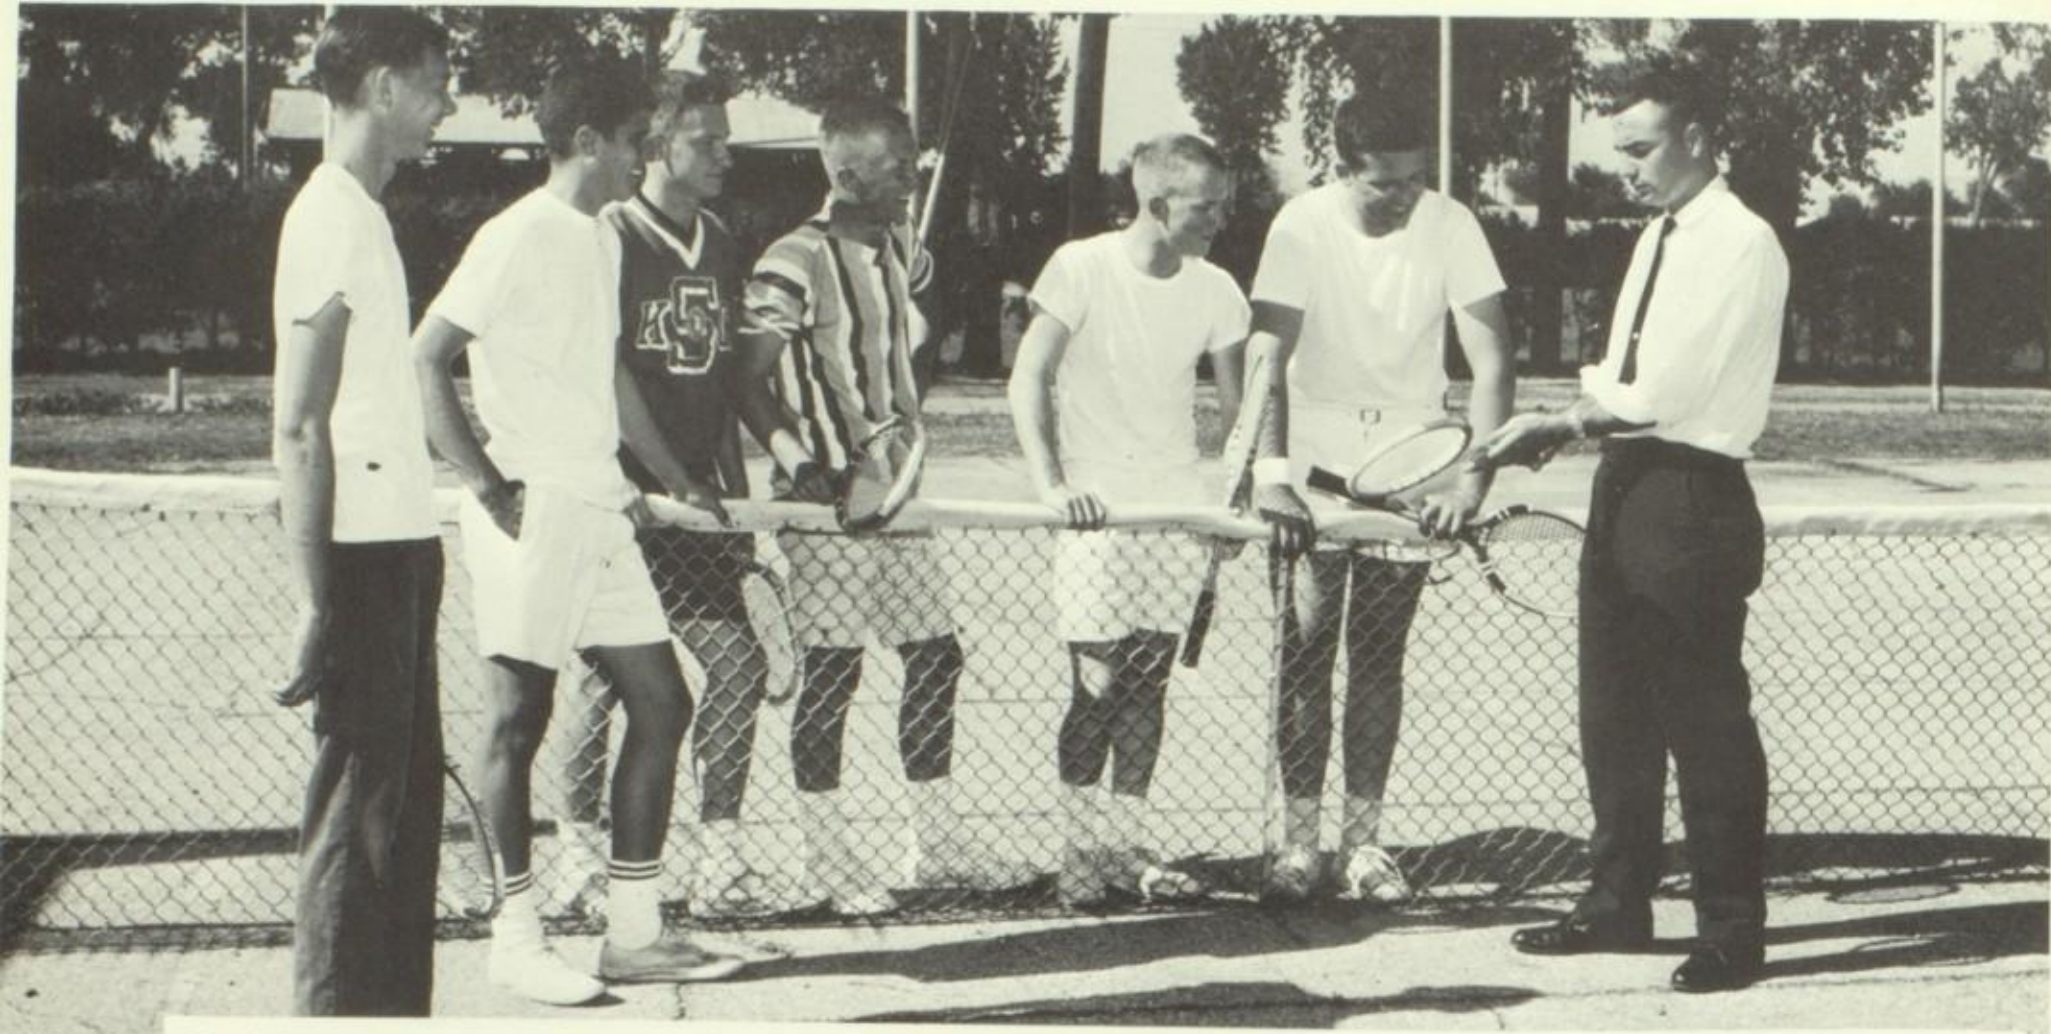

Coach Howell, assisted by James Nebergall, expects to do a complete rebuilding job for the '64 season and is counting on some sophomore talent.

Prospects for Season Are Excellent

The Black Panther tennis team ranked well in competition in the spring of "'63", through the schedule was "tough". The Panthers took third place in the WCKL league tournament, first place in the singles department of the Dodge City tournament, and won a tri-meet with Russell and Ellsworth. Other results for '63 were third place in the Russell Singles Invitational, and fourth in the singles at the Hutchinson Invitational. The tennis team lost two dual meets, one

with Larned and the other with Hutchinson.

Rick Wilber, a promising left handed junior won first place at Dodge City. He also ranked well at the Russell Invitational and in the WCKL league meet.

Coach Larry Parker says the prospects for the 1964 season are excellent as three of the top six players from the 1963 team are returning — — Rick Wilber, Gary Konkel, and Don Brining.

Tennis

Patty Ross and Jo Rice, third in League Doubles, take time out to rest between matches.

Junior Jane Weathers, who took third in '63 for League Singles, promises to be a mainstay for the '64 team.

Girls Show Interest

Recently Great Bend High School has witnessed increased interest in girls' tennis, one of the few competitive sports for girls.

Last year was a record season for the Great Bend team with Jane Weathers taking third in league singles while the team of Patty Ross and Jo Rice placed third in league doubles.

In 1963 every girl on the team won a letter which makes 1964 look promising as eleven letter winners will be back in action.

Miss Lorene Gardner, Bachelor Degree in PE, Minor Degree in Music, Alva, Oklahoma

Two new teachers also arrived on the scene. Replacing Mrs. Janet Jimison as girls' gym teacher was Miss Lorene Gardner from Alva, Oklahoma. Mrs. Josephine Trowbridge from Russell assumed Mrs. Marilyn Davis duties as English teacher.

GBHS representatives for the reading division were Dana Kay White, Margie Stevenson, Connie Keesling and Carolyn Stamper.

Forensic Winners

Many talented students of GBHS participated in the Forensics Tournaments in February. This tournament gave speech students an opportunity to improve and develop skills by competing with other high school students.

Mrs. Josephine Trowbridge, replacement for Mrs. Davis, discusses "Silas Marner" with sophomore English students.

The GBHS forensic team is composed of Cherie Buss, informative speech, Linda Herrod, poetry, Carol Burk and Cheryl Thalheim, orations, and Mary Ann Boyle informative speech and extemporaneous speech.

New Teachers & Students

This year the student body of Great Bend High School welcomed seventeen new students. Sophomores gained the largest number with eleven new students, with the Juniors boasting five and the Senior class one.

"Now over here . . ." explains Carolyn Stamper, as she shows new students at GBHS the school. The new students are Charlotte Cook, Tim Berschardt, Bob King, Rodney Cook, Steve Rychlec and Jack Jenkins.

Rhorea staff members Sharon Holmes, and Ann Drescher welcome new students Marsha McNett, Eddie May, Mart Devaney and Donnie Kern to GBHS.

Posing prettily in the park are these candidates for 1963-64 Football Homecoming Queen. Melodie Otte, Judy Gregg, Joyce Lowry, Terry Taylor, Annette McCarty, Lynn Etchen, and Winnie Anderson.

Marc Anglemyer, crown bearer, and Lorie Scheuerman, flower girl, await with anticipation the moment of coronation of the Basketball Queen.

Panther

Cheryl Pettit, newly crowned Basketball Homecoming Queen, and her attendants prepare to watch the game from their throne.

Cheerleaders Martha Schumacher, Patty Ross, and Connie Johnson wait for the Panthers to burst through with another victory for Homecoming.

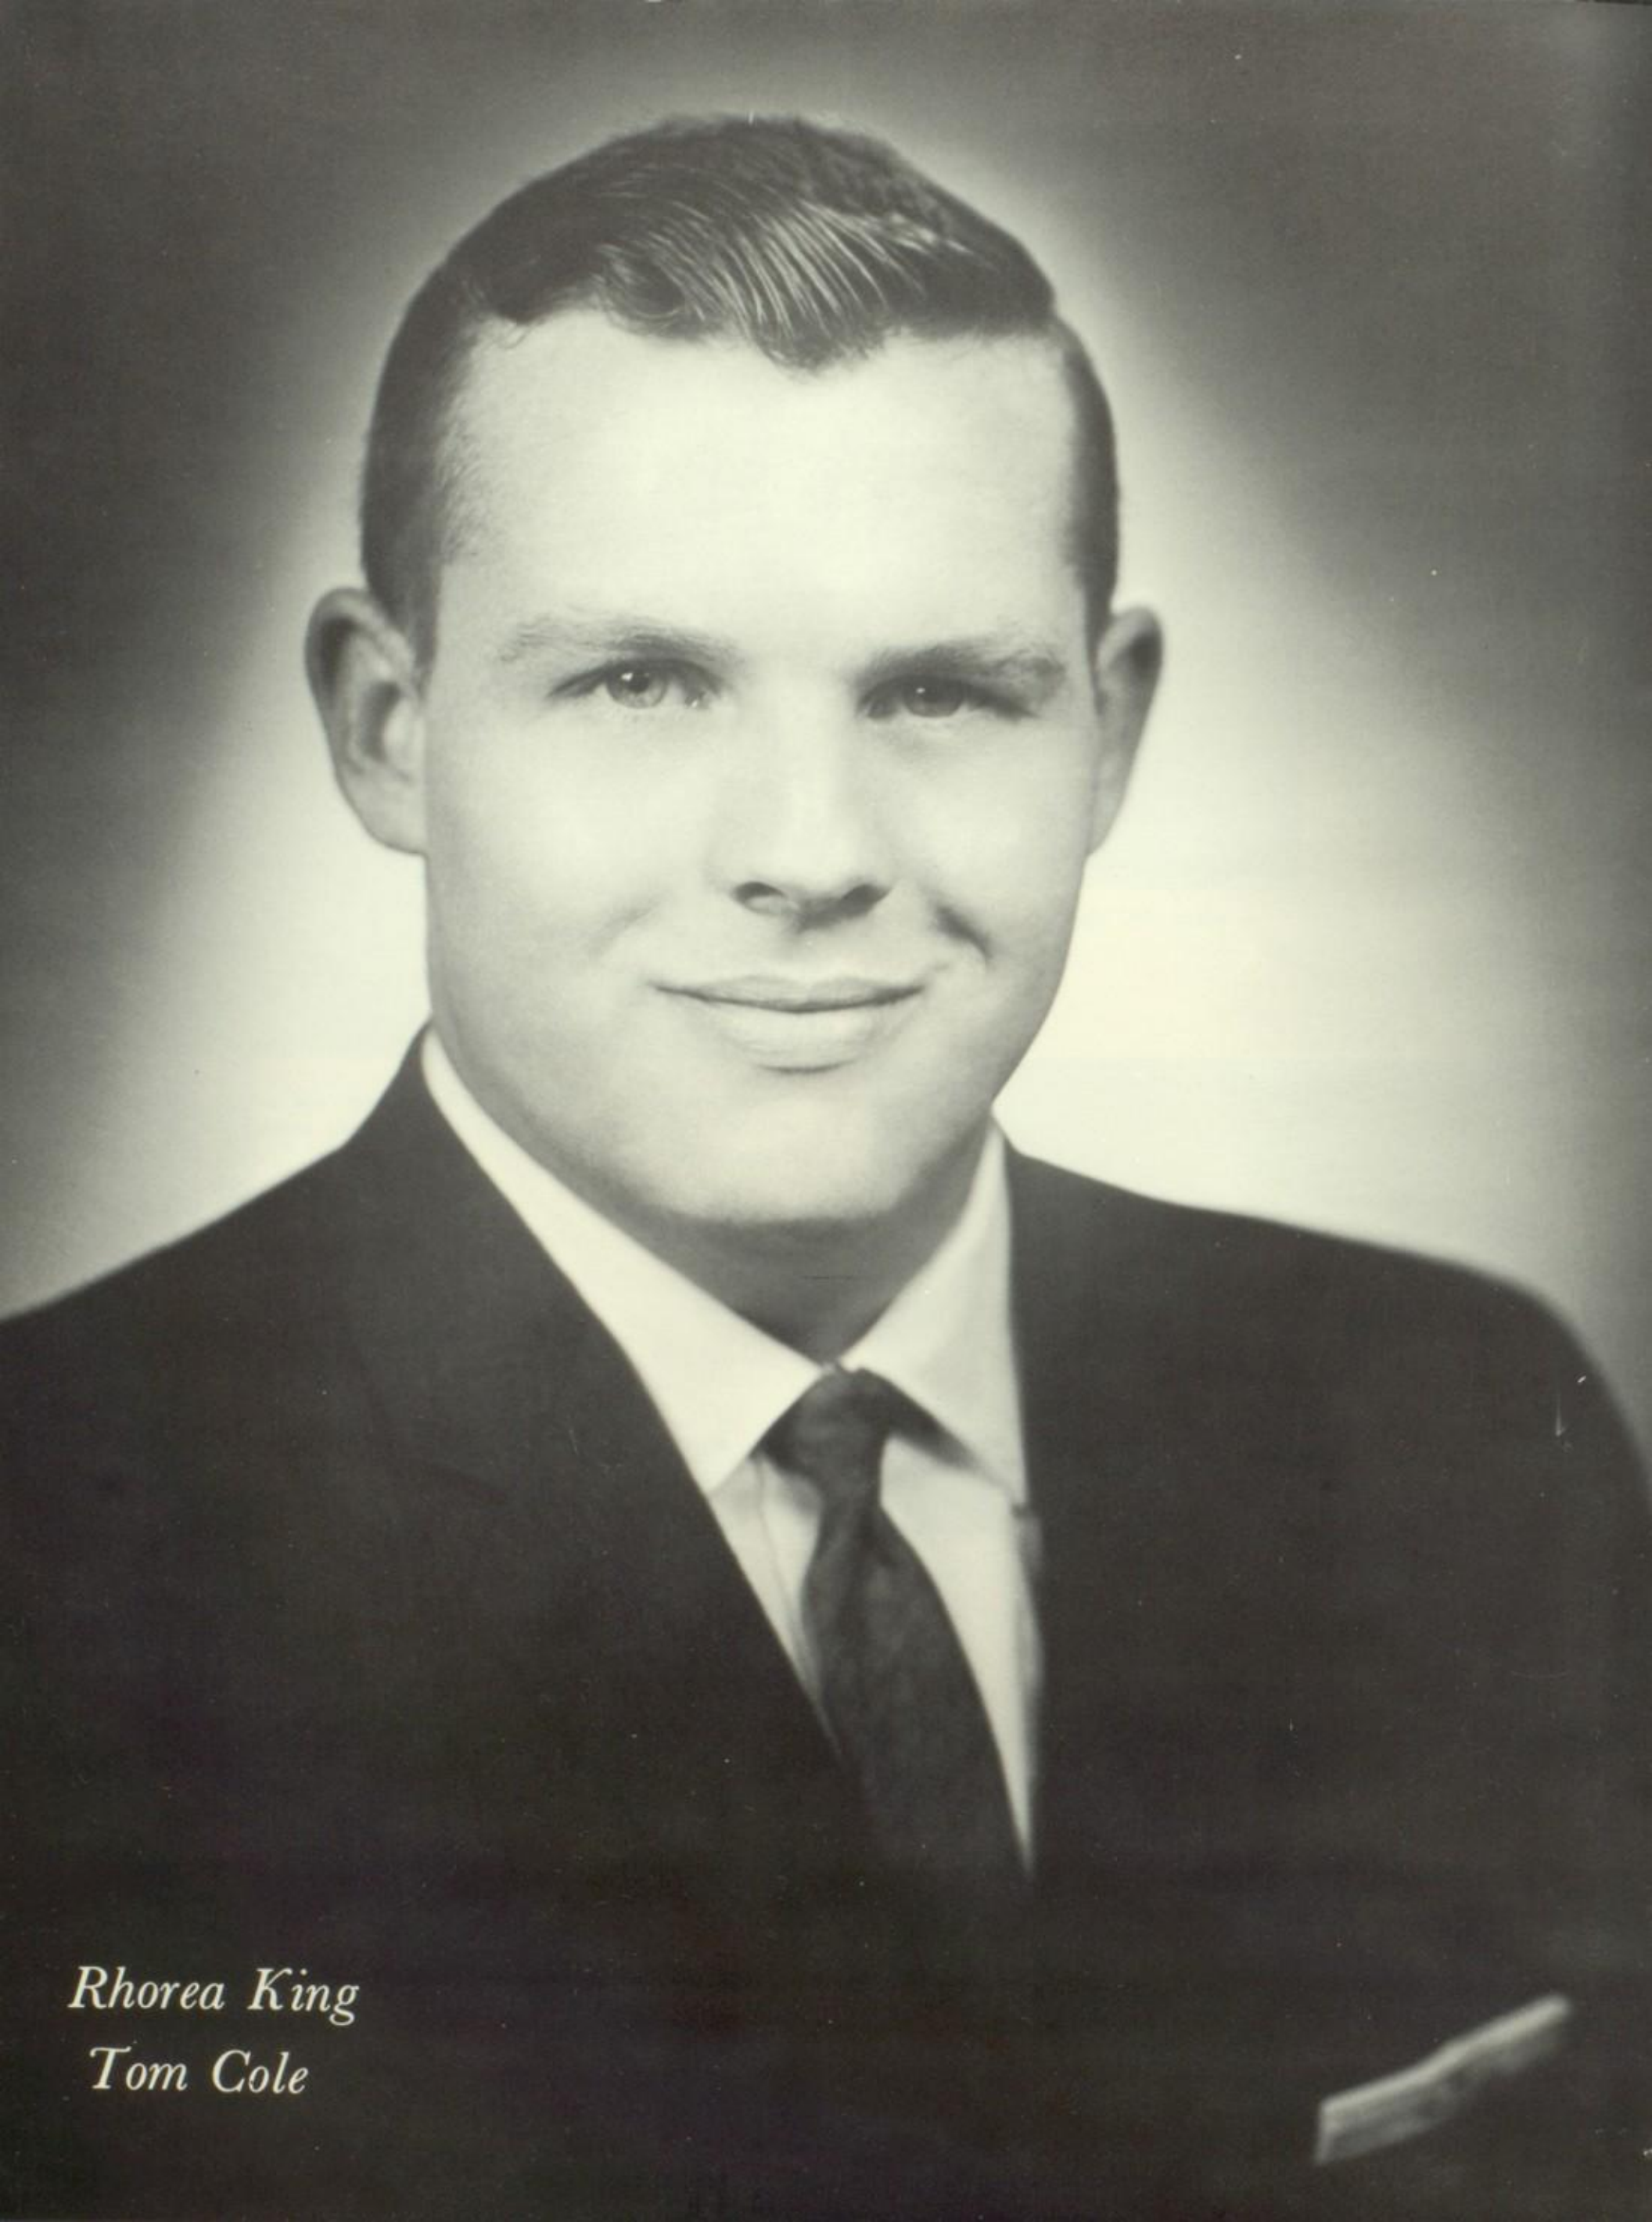

The Football Homecoming Queen Candidates and former Football Queens are introduced to the student body.

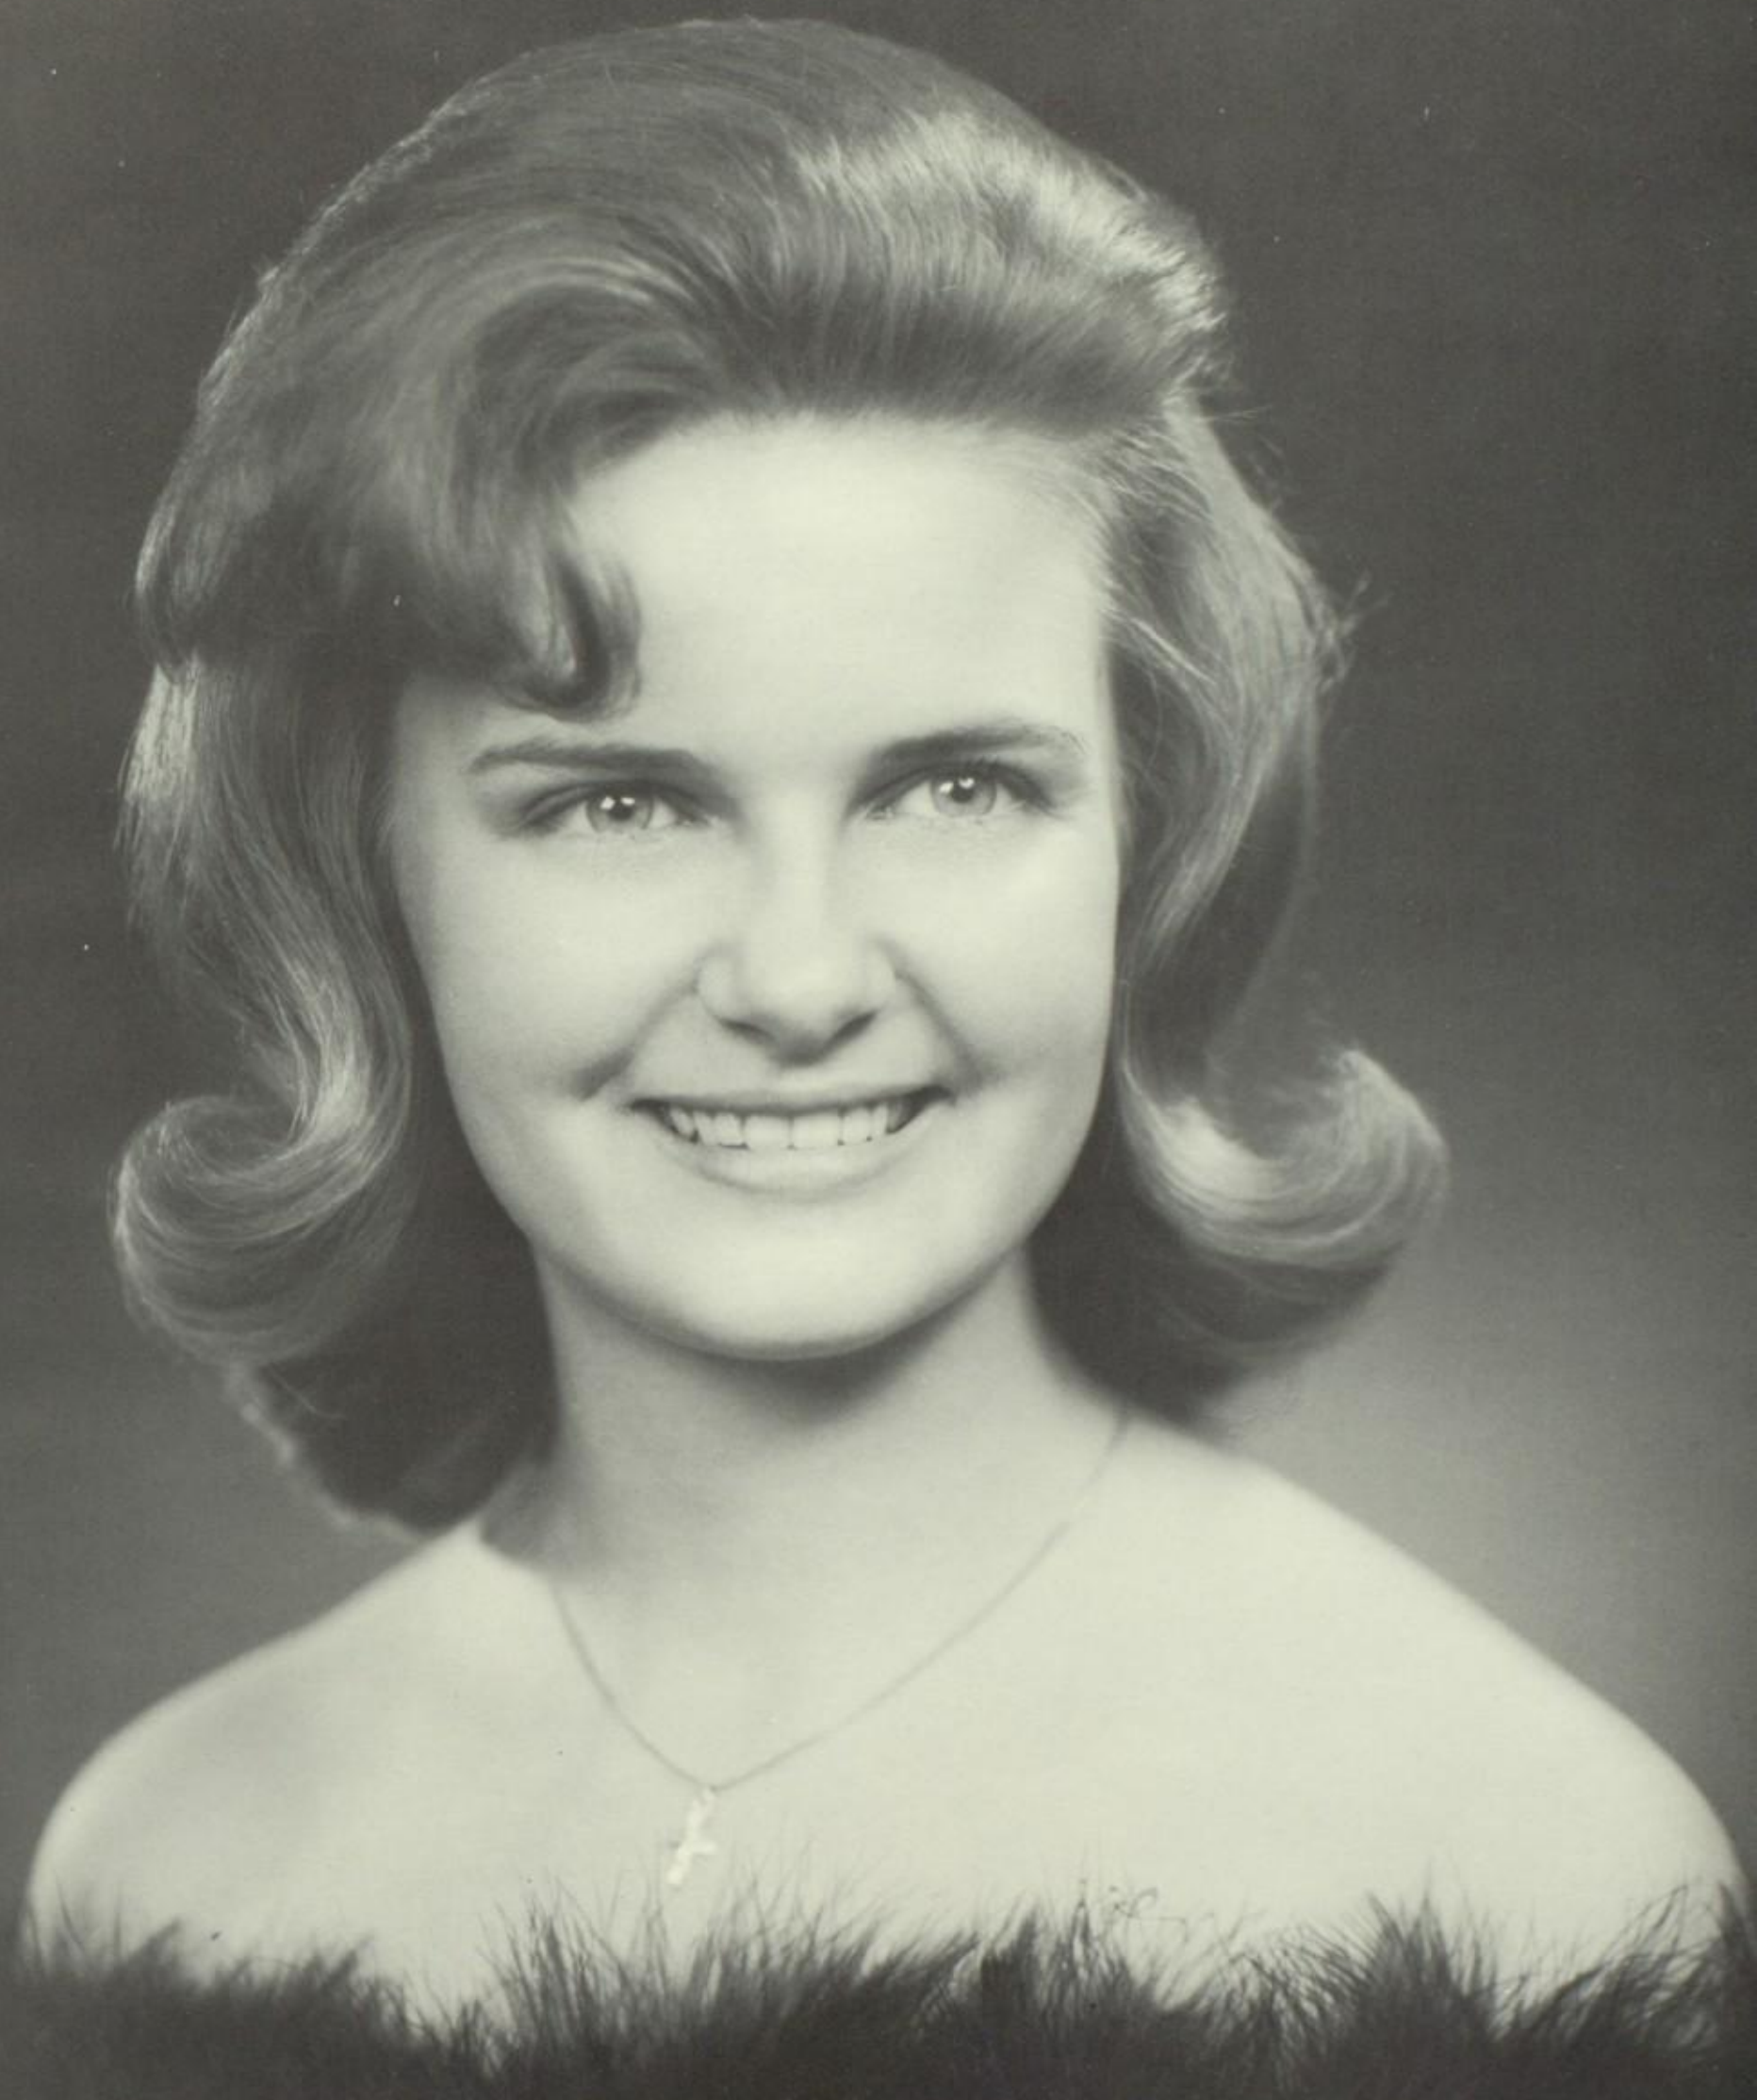

Royalty

Mr. Carpenter declares war on the Larned Indians by presenting a bow and arrow to the Senior members of the basketball squad, Dale Marsh, Melvin Riley, Kent Otte and Kent Reinhardt.

"Rendezvous in Deep Purple" climaxed an eventful year for the class of '64. The garden scene which included a fountain and band shell for the musicians was delightful in the tones of lavender to deep purple.

The attending couples were highly appreciative of the work of the class of '65 and the Norm Estes Sextet which provided such an enjoyable evening.

The evening was complete with the coronation of the Rhorea King Tom Cole, and the Rhorea Queen, Patricia Ross. The throne on the portico provided an effective setting from which they reigned.

A floor show of a variety of talent provided the intermission entertainment.

Football Queen Attendants

While the band, in a pregame formation of a crown, played the theme song, "Moments to Remember", Miss Winnie Anderson was crowned 1963 Football Homecoming Queen by Gary Smith. As a special tribute to the queen, Ron Harders sang "The Sweetheart of Great Bend High". Flower girl and crown bearer were Georgia Guesnier and Scott Thompson.

The Queen had been selected by the student body after a special assembly in which the candi-

dates were presented and former Football Homecoming Queens introduced.

The crowning of the Queen was the highlight of the Homecoming activities, which included a snake dance and a Homecoming Parade, the first one in ten years.

After the game, students enjoyed the Homecoming dance in the gym, with music by the Echoes from Dodge City and refreshments provided by the Panther Parents.

Basketball Queen Attendants

Basketball Homecoming on January 31 was a gala event. In the morning the candidates for Queen were introduced to the student body during the assembly in the gym. The Pep Club girls presented a clever skit for entertainment. After the assembly the students adjourned to the home-rooms where the ballots were cast for the Queen.

In the evening, after the B-Team game, Cheryl Pettit was crowned Queen by Kent Otte and a Panther victory over Larned assured her reign would be a success.

Following the game, the Queen continued her reign at the homecoming dance sponsored by the Panther Parents. In the gym, which had been decorated with a scene of "Cupid's Fantasy", the Queen surveyed her subjects from a throne skillfully fashioned in the shape of a red heart with a white arrow piercing the center while Cupid perched saucily on the arrow. Dancing to the music of "The Flames", enjoying a poem read by Mary Suellentrop, and laughing at a Pep Club skit ended a wonderful day.

Corrigan Week, March 16-21 was completed in true tradition by the female species of Great Bend High School. During this "turn-about" week, the boys were treated to the finest service, since the girls carried books, bought cokes, and paid for show dates.

The Pep Club, sponsored by Mrs. Schmitt, and Miss Gardner, climaxed the week with the annual Corrigan Dance. The theme, Mardi Gras, was centered around a large "Funny Face Mask" made of various hues of napkins, which served as the throne. Punch and popcorn balls of various colors were served as refreshments.

The highlight of the evening was the announcement of the 1964 Corrigan King, Danny Scott. Danny was crowned by Cheryl Pettit, Pep Club President, and presented a kiss by his escort.

Panther Pal

For the past four years the *Rhorea* staff has sponsored the Panther Pal. This has been used to promote yearbook sales and to honor some worthy boy in GBHS.

Early this year each homeroom nominated someone to run for Panther Pal. At a later date the student body voted to select a finalist for their respective class. The final votes were cast when *Rhoreas* were purchased.

In an assembly November 11, Mohammed gul Mohabbat was crowned 1963-64 Panther Pal by head-cheerleader, Winnie Anderson. Mohammed, our exchange student from Afghanistan, was presented a tie tack and a kiss from cheerleaders Martha Schumacher and Winnie Anderson.

To the Staff:

Finished, at last! The final word typed, the last picture taken! We are happy——and proud! We are happy to see a job well done——proud of you, our staff, who really made the 1964 Rhorea a dream come true. To each our thanks and to each a word of appreciation from Nancy and Susan.

To you, GARY, for all the sports copy. The sports section of the book is your merit badge.

To the business managers, LAURA and SUE, a "pat on the back" for seeing the dollars come in and that the bills were paid.

To MAXINE and PAT, for your patience and endless afternoons and evenings spent on the Index.

To "cutline" CAROL, our miniature "FBI"——for the many name hunt-ings and picture identifications.

To JANIS, LINDA, and JUDY, for speedy and excellent senior achievement sheets.

To IMOGENE, "the silent", for shrouding in secrecy the names of the Corrigan King and the Rhorea King and Queen.

To KAREN——for the many trips to Brannan's, which saved us time and energy.

To SHARON and VICKIE, typists extraordinary who did their best when the "chips were down" on the final copies.

To TOM, patient, devoted Tom for taking pictures, and pictures and——pictures. No pictures, no book!

To ANN, Susan's good right hand, there when needed and always accomplish- ing the assignment.

To the Commercial Art Staff, Editors LYNN and JOANNE, and MR. HART- MAN, their guide, for cutting and pasting for "keeps".

And finally, and most of all, our thanks to you, MISS UNRUH——you pulled us through when the going "got rough".

So forgive us, the Editors, for our "bad days" and please remember us for our "not so bad days" and know we are finally having a "good day" to say most sincerely "thank you".
